From,

Deputy Co missioner,
Hassan District.

To,

L.Anantasami ao Esquire B.A
Secretary to the Govt.of H.H.
the Maharaja of Mysore,
Mudrai Department,
BANGALORE.

Sir,

Adverting to Govt.Order No.3 Sl-5 dated 1st February 1906 and Memo No.2528 Dated 12th November 1906 concerning the selection of 2o acres and one gunta of wet land in Harle village, Sedatore Taluk, for the benefit of the Sri-Lakshmi Narasimha Swami temple at Muggihalli in the Chennarayapatna Taluk, I have the honour to state that the Amildar of Sedatore Taluk wrote to the Amildar of Chennarayapatna that Rs.770-0-0 were necessary as estimated by the Tank Inspector for bringing the land for wet cultivation. Particulars of the estimate are shown in the statement (vide plan No 9of the enclosed M.P.file). Patel Ramegowda of Harle village is reported to have consented to take up the land for cultivation in case the estimate amount is paid to him. In return the latter agrees to pay one Khandaga during the first year,two in the second and three in the third year. Moreover the ryots do not consent to pay the assessment on the said lands,which therefore are to be paid out of temple receipts

2. On receipt of a report from the Amildar of Chennarayapatna,the Deputy Co missioner of Mysore District was addressed. From the latter Officer's Lr.No.361 dated 9th Instant it will be seen that the lands were inspected by the Senior Assistant Co missioner Mysore Sub-Division who is

case of opinion that ... to bring ... lands ... cultivation.

3. The Amildar of ... Taluk reports that there was at the credit of ... temple Rs.[illegible] on 19th June 1907.

4. In No.[illegible] dated [illegible]-1907 the Amildar of Chamarajanagar Taluk, the Amildar of Sedatore Taluk stated that some lands were endowed to ... temple ... the same village and that the lands were given out free to ryots for 3 or 4 years on condition of the ryots themselves bringing the lands for cultivation at their own cost. If that is feasible in the present case also, the temple need not have to incur an expenditure of Rs.[illegible]-0-0.

5. Further the Amildar of Sedatore Taluk reports that the assessment on the lands amounting to Rs.[illegible]-0-0 for the year Parabhava is due to Government by the temple. As the lands lie waste till now the amount has to be remitted as its levy would operate hard on the temple funds.

6. It is therefore requested that Government may be --- pleased to remit the arrears of assessment and also to --- address the Deputy Commissioner of Mysore District to make arrangements as detailed in para 4 supra so that the ryots may do every thing themselves for 3 or 4 years paying only the kandayam on the lands to Government. The Vernacular Papers ending with Mysore District Deputy Commissioner's Yadi No.861 dated 9th March 1908 are submitted for reference.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
